COMPACT BRUSHLESS **BLENDER #66**

SANTOS®

Optimized programs

The compact brushless blender #66 is designed for the preparation of cocktails, smoothies, milkshakes, iced coffees, and any other blended drink.

It comes with 9 programs which have been optimized to blend your recipes to perfection. Some programs turn one-way, others turn both ways thanks to Santos patented Dual Crushing Action™.

Press + and – buttons on your blender to select the program of your choice.

Programmes optimisés

Le blender brushless compact n°66 est destiné à la préparation de cocktails, smoothies, milkshakes, cafés frappés et toute autre boisson mixée.

Il est livré avec 9 programmes optimisés pour mixer vos recettes à la perfection. Certains programmes tournent dans un sens, d'autres dans les deux sens grâce au système breveté Dual Crushing Action™.

Appuyez sur les touches + et – de votre blender pour sélectionner le programme de votre choix.
