CITROCASA

FANTASTIC ECO

Off Grid, On Demand, Truly Natural

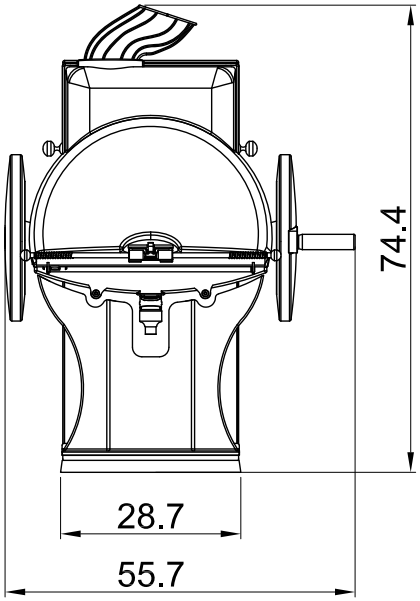

LOWER VOLUME

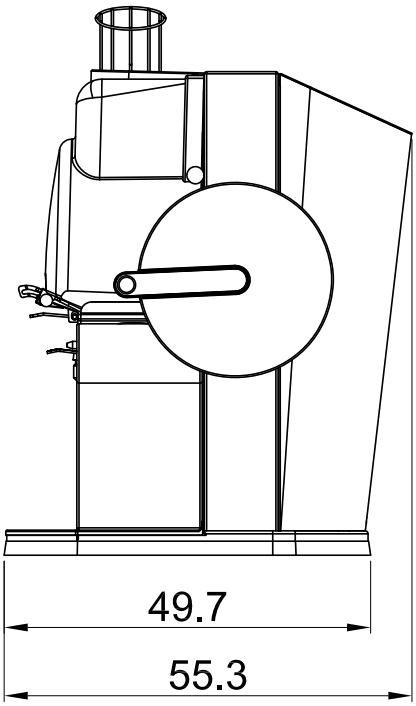

Cut the cord for sustainability. Environmentally friendly and silent juicing – fresh, on demand, and powered by you.

- **CORDLESS JUICING:** No electricity needed. Simply crank the wheel to start juicing. Switch between right and left-handed operation. Ideal for any location with on-demand juicing or location-flexibility needs.
- **SUPERIOR TASTE:** Patented SCS Up&Down dynamic knife delivers precise fruit cuts, reduces peel oil, and yields sweeter-tasting juice.
- **MAXIMIZED HYGIENE:** 304 food-grade stainless steel ensures food safety. Dishwasher-safe Double Cover and juicing parts maximize hygiene.
- **EFFICIENT OPERATION:** One single Cross Holder secures all juicing elements and speeds up disassembly and cleaning.
- **UNMATCHED DURABILITY:** Robust materials and design. Complete triple-sealed separation of juicing zone and gear housing for durability and longer machine life. Industry-known Citrocasa quality.
- **ULTIMATE VERSATILITY:** Indoor, outdoor, anywhere, anytime. No plugs, no cables. Easily switch to optional Small Pressing Kit for juicing lemons and limes.
- **ATTRACTIVE RETURNS:** Elegant eye-catching design attractively priced. Ideal for entering the world of on-demand fresh juicing.
