B21

GLASS WASHER - BASKET 400 x 400 mm

PRODUCT DESCRIPTION

100% STAINLESS STEEL
Stainless steel structure AISI 304. Double-skinned door.
Stainless steel coplanar rotating arms for easy cleaning.
Electro-mechanic functioning.
Standard equipped with built-in rinse aid dispenser for the best drying results.
Standard equipped with built-in connection for detergent dispenser.
Standard equipped with built-in connection for drain pump.
Standard equipped with two baskets for glasses.
Extremely easy to use: in addition to the ON/OFF switch, this model is characterized by just one push-button. So, it stands for the right glass washer even for untrained users and extremely hectic bars and pubs.
Classy interface with chromed buttons. LED lamps are more visible than standard to better control the machine also from far away.
