KitchenAid HEAVY DUTY 5.2 L Bowl-Lift Stand Mixer 5KSM55SXX

- **Redesigned from the inside out, KitchenAid's most powerful home bowl-lift stand mixer with 1.5x more power in the bowl than before***
  Can take on more than ever before
  Can knead 3.1 kg of bread** dough and take on tough tasks with confidence
- **Bowl-lift design provides a 3-point locking bowl**
  For maximum stability* and powerful mixing
- **High heat cut-off**
  Where the stand mixer protects itself by turning off if it starts to overheat
- **Full metal body construction, all-metal gears and thermal protector**
  Delivers reliable mixing and durability
- **New design featuring a cord wrap; a removable, satin chrome hub cover and brushed trim band with embossed logo – black plastic knobs; and no lift lever handle**
  For easy cleaning and usage
- **5.2 L polished bowl with strap handle**
  Easily handles very large and small batches of food
- **11 distinct speeds (from low speed folding to high speed whipping) including a new fold speed, half speed of stir**
  For precision, power and control from high to low, and everything in between
  To mimic hand-folding speed: allows to gently fold in delicate ingredients, fold in egg whites or cream, keep air in batter and helps avoid overmixing
- **Soft Start**
  Gentle acceleration to chosen speed eliminating mess
- **Original planetary action**
  Fast and thorough mixing
- **Single multipurpose attachment hub**
  A wide choice of optional attachments available
  Versatile and easy to use
- **Metal 6-wire whip; white coated flat beater and unique designed spiral dough hook replicating hand-kneading**
  Robust, durable and top rack dishwasher-safe
  To quickly make delicious bread
- **Secure fit pouring shield with improved design**
  Help ensure the ingredients stay in the bowl when mixing

EMPIRE RED | ONYX BLACK | MATTE BLACK | CONTOUR SILVER | WHITE

* Compared to stand mixer model 5KPM5, when measuring peak HP in the bowl.
** Using dedicated outlet.

BENEFITS OF 'FOLD' SPEED (LOW SPEED – 1/2 SPEED SETTING):

- **Easier mixing**
  No more hand mixing or mashing
- **More control**
  To add ingredients without stopping the stand mixer
- **Less mess**
  Adding flour without the risk of creating a mess
- **Strong performance**
  Gently mix delicate ingredients such as blueberries and raspberries without damaging the fruits
