CITROCASA

REVOLUTION

Freshness Revolutionized

LOWER VOLUME

20 MIN.

Squeeze the most out of your space and oranges: Modern efficient design and high performance on 9” of counterspace.

9”

FOCUSED DESIGN:

- Self-service and staff-operation for the smallest spaces.
- Ideal for locations serving orange juice by the glass.
- Simply press the tap or button to start juicing.
- Long fruit supply tunnel holds up to 6 oranges.

USER-FRIENDLY EFFICIENCY AND HYGIENE:

- One single Cross Holder secures all juicing elements.
- Fast and easy disassembly, cleaning, and reassembly.
- Double Cover separates juice zone from motor and keeps juicer housing clean.
- Dishwasher-safe juicing parts for improved hygiene.

SUPERIOR TASTE: SCS knife delivers precise fruit cuts, reduces peel oil, and yields sweeter-tasting juice.

SMART TECHNOLOGY: Multi-functional digital display with fruit counter, intelligent stop, and more.

PROVEN QUALITY: 100% Citrocasa quality in compact design. Our slimmest juicer for lower volume yet high performance.

REVOLUTION
