Stackable 48 oz. / 1.4 L BPA-free copolyester container
With mess-free spout for easy pouring and laser-etched measurements to last a lifetime

PowerBlend technology
Delivers fast, consistent results for even the toughest recipes

Powerful 3.5 peak* HP motor with hybrid drive coupling
Delivers ample power and torque to the stainless steel blade

Capacitive touchpad
With 6 one-touch programmable** buttons, variable speeds and pulse

Double-wall motor base
Redirects airflow to reduce sound

Quiet Shield™ sound enclosure
Features tool-free assembly for fast and easy installation, removal and cleaning

Built-in sensors to extend clutch life
To prevent careless clutch grinding, the motor stops when the Quiet Shield™ sound enclosure is opened

Auto Blend
Makes a perfect drink with one touch — it automatically stops blending when drinks reach the perfect consistency

Easily accessible USB port
For future program updates

* Input power

** Summit® Edge comes with 36 pre-programmed cycles in 11 languages: English, Spanish, French, Portuguese, Korean, Japanese, Chinese, German, Arabic, Russian and Italian
